REPORT AND RECOMMENDATION

Pursuant to 28 U.S.C. § 636(b), the undersigned United States Magistrate Judge conducted a plea hearing in this case on December 6, 2024. At the hearing, Defendant entered a plea of guilty to Count One of the one count Indictment. On the basis of the record made at the hearing, the Court finds that Defendant is fully competent and capable of entering an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by Defendant; it is made voluntarily and free from any force, threats, or promises; Defendant understands the nature of the charges and penalties provided by law; and the plea has a sufficient basis in fact. Acceptance of the plea, adjudication of guilt, acceptance of the Plea Agreement, and imposition of sentence are specifically reserved for the United States District Judge.

I therefore recommend that the Court: (1) grant Defendant's motion to withdraw his not guilty plea to Count One of the one count Indictment; (2) accept Defendant's guilty plea to Count One of the one count Indictment; (3) adjudicate Defendant guilty of possession of material containing child pornography depicting a minor who had not attained twelve years in age subsequent to a conviction relating to sexual abuse of a minor in violation of 18 U.S.C. §§ 2252A(a)(5)(B) and 2252A(b)(2); and (4) order that Defendant remain in custody pending sentencing or further order of this Court.

The Defendant's sentencing hearing is scheduled before the Honorable District Judge
Curtis L. Collier on **April 9, 2025, at 2:00 p.m.**

SO ORDERED.
